
OroThymol Gargle 0.15% w/v

Composition:

Thymol 0.15% w/v

Preservative:

Sodium Benzoate 0.1% w/v

Potassium Sorbate 0.2% w/v

Glycerine as solvent 10% v/v

Product Description:

Red colour, clear liquid with Eucalyptus flavour.

Indications:

As a mouthwash or gargle for oral hygiene and to soothe sore throat.

Recommended Dose:

Adult:

Dilute by adding one part of the solution with three parts of warm water before use.

It can be used 3-4 times daily.

Do not swallow.

Discard any unused diluted solution

Children under 12 years of age:

Consult a dentist or doctor.

Route of Administration:

Oropharyngeal

Contraindications:

Hypersensitivity to any of the ingredients.

Warning and Precautions:

The product is to be used after dilution of one part with three parts of warm water; all unused diluted solution should be discarded due to the possible contamination with resistant micro-organisms.

It should not be swallowed.

Avoid use in patients with large mouth ulcer.

Interactions with Other Medicaments:

None known.

Pregnancy & Lactation:

No adverse problems have been reported. As with all medicines, it should only be used under medical supervision in pregnant women or nursing mothers.

Side Effects:

It can be irritant to the gastric mucosa; rashes may occur. Its prolonged use should be avoided.

Symptoms and Treatment of Overdose:

The product is not intended for ingestion, but, in the case of ingestion (accidental or otherwise) resulting in overdosage, treatment measures include gastric lavage with intensive symptomatic supportive therapy.

Storage Condition:

Store below 30°C. Protect from light.

Packaging available:

60ml, 100 ml and 120ml pack size
