WINA Oral Liquid Paraffin 100% w/w

Name and Strength of Active Ingredient:

Liquid Paraffin 100% w/w

Product Description:

Colourless, transparent, oily liquid, free from fluorescence in daylight.

Pharmacodynamics:

Liquid paraffin acts as a lubricant and penetrates and softens the stools.

Pharmacokinetics:

Liquid paraffin is indigestible and is absorbed only to a limited extent following ingestion.

Indications:

For the temporary relief of constipation.

Recommended Dose:

Adults including the elderly : 10 to 30ml when required.

Children over 3 years : 5 to 20ml when required.

Children under 3 years : not recommended.

Route of Administration:

Oral

Contraindications:

Use is contraindicated in children under 3 years of age.

Liquid Paraffin should not be used when abdominal pain, nausea, or vomiting is present.

Warnings and Precautions:

Not recommended for use in children below 3 years of age.

Not recommended for use in pregnant women.

Repeated use is not advisable.

Consult your doctor if laxatives are needed every day, if you have persistent abdominal pain or have a condition which makes swallowing difficult.

Interactions with Other Medicaments:

There may be interference with the absorption of fat soluble vitamins.

Pregnancy and Lactation:

As with all medicines avoid during early pregnancy and lactation.

Side Effects:

Anal seepage of paraffin with consequent anal irritation after prolonged use. Granulomatous reaction caused by absorption of small quantities of liquid paraffin. Lipoid pneumonia (by accidental inhalation) may occur, therefore caution is required in patients with swallowing difficulty.

Symptoms and Treatment of Overdose:

If large doses are ingested withdraw medication. Supportive treatment may be required.

Effects on Ability to Drive and use Machine:

None

Storage Condition:

Store below 30°C. Protect from light.

Presentation:

60 ml, 90 ml, 100 ml and 120 ml bottle.

Registration Number:

MAL19056133XZ

Manufactured by & Product Registration Holder:

KCK Pharmaceutical Industries Sdn. Bhd.

Plot 61, Bayan Lepas Industrial Park Phase 4,
