

# DIAMOND VITAMIN SYRUP

MAL19911408X

## DESCRIPTION:

SYRUP

Colour : Orange  
Flavour : Orange

## EACH 100 ML CONTAINS:

Vitamin A : 15,000 IU  
Vitamin D3 : 3,000 IU  
Vitamin C : 400 mg  
Vitamin B1 : 25 mg  
Sodium Benzoate 0.1% w/v, Methyl Paraben 0.1% w/v and Propyl Paraben 0.01% w/v as preservatives

## ACTIONS:

Vitamin A : Is essential for normal function of the retina; growth of bone; reproduction and embryonic development; regulation of growth and differentiation of epithelial tissues and nervous system. Helps to prevent night blindness and is essential for healthy skin and eyes.

Vitamin D3 : Is essential for promoting absorption and utilisation of calcium and phosphate and for normal calcification of bone. Along with parathyroid hormone and calcitonin, it regulates serum calcium and phosphate concentrations as needed. Is essential for strong teeth and bones.

Vitamin C : Is essential for collagen formation and tissue repair in the body; metabolism of folic acid; metabolism of proteins; enhances iron absorption and preservation of blood vessel integrity. Thus it maintains healthy skin, blood vessels, connective tissues, gums or other related body structures. Helps to keep bones, teeth and blood vessels healthy and to increase body's resistance to diseases.

Vitamin B1 : Is essential for energy metabolism especially carbohydrate in its active form Vitamin B1 pyrophosphate. It also maintains a healthy nervous system, normal gastrointestinal and cardiovascular system. Helps to stimulate appetite.

## INDICATIONS:

As a health supplement

## CONTRAINDICATIONS:

Hypervitaminosis A, hypercalcaemia, hyperoxaluria, chronic failure and hyperchloraemic acidosis or impaired renal function.

## PRECAUTIONS:

Doses higher than those recommended and given for long periods should be avoided.

## SIDE EFFECTS:

With the recommended dosage, side effects are unlikely to occur.

## RECOMMENDED DAILY ALLOWANCES (RDA)
