

PRIME NUTMEG OIL

Description: Clear, colourless, nutmeg fragrance oil.

Content:

Nutmeg oil	80%w/w
Menthol	10%w/w

Action:

Nutmeg oil is a mild rubefacient. It is a carminative and flavouring agent. Menthol, when applied to the skin, dilates the vessels, causing a sensation of coldness followed by an analgesic effect. Menthol also relieves itching.

Indications:

As counter irritant for bruises, muscular pain, sprains and cramps.

Side-effects:

Menthol may give rise to hypersensitivity reactions including urticaria, flushing and headache.

Precautions:

Stop application if skin irritation occurs.

External Application:

Apply to affected part freely as needed.

Presentation/Packing: Solution x 30ml

Shelf life: 3 years

Storage: Keep container tightly closed. Store in a dry place below 30°C. Protect from light. Keep out of reach of children.
