

THIS IS A TRADITIONAL MEDICINE.

iiCare

Composition

Each softgel capsule contains:

Vaccinium myrtillus (Bilberry) fruit extract	25 mg
Tagetes erecta (Marigold) flower extract	15 mg
Providing Lutein 20%	
Dunaliella salina (Algae) extract	5 mg
Providing Betacarotene 30%	

Source of Gelatin: Bovine

Usage:

Traditionally used for eye tiredness relief.

Dosage:

One capsule twice daily with meals.

Side Effects:

High doses can cause yellow skin, which disappears when the intake is reduced. If symptoms persist, please consult a doctor.

Contraindication:

Individuals with known hypersensitivity to any of the ingredients.

Precautions:

Flavonoids in bilberry extract may inhibit platelet aggregation. Patients taking warfarin or other anticoagulants or anti-platelet agents or in patients with bleeding disorders should use with care.

Storage:

Store below 25°C in a dry place.

Packaging:

Blister of 10 capsules, 3 blisters packed in an aluminium pouch and presented in a printed unit carton

Note:

Read the instructions thoroughly before use.

Please do not use the product after the expiry date.

Please do not use the product if there are any significant changes in appearance of the capsules.

Keep out of reach of children.

Jauhi ubat dari kanak-kanak.
