

SURBEX FISH OIL BIO-ENHANCED PLUS

Product Description : 20 minim oblong opaque brownish orange soft gelatin capsule printed with BE FO+ and filled with yellow suspension.

Each capsule contains : 880mg of Natural Fish Oil equivalent to 290mg EPA (Eicosapentaenoic acid 33%) and 194mg DHA (Docosahexaenoic acid 22%), 15 IU Natural Vitamin E (d-alpha-Tocopherol 10.1mg as Vitamin E Preparation USP), 66mg Orange Oil.

Product Indication / Usage : As a health supplement.

Dose / Use Instruction : 1 to 2 capsules to be taken daily or as directed by the physician.

Contraindication: Omega-3 is contra-indicated in patients with hemophilia and patients on warfarin due to the blood thinning effect. Omega 3 has also been shown to reduce the effectiveness of Cyclosporine.

Warning / Precautions : Excessive large amounts of fish-oil can result in excessive bleeding, gastrointestinal distress, anemia, or stroke.

Fish oil supplements should be used cautiously in pregnant and lactating women.

Side Effects/Adverse Reaction/Signs of Overdose :

Surbex Bio-Enhanced Fish Oil Plus is generally well tolerated with very little to no side effects. Although the body cannot produce its own EPA, it is a naturally occurring substance that is essential to good health.

Other possible adverse effects that have been reported include easy bruising, and occasional nosebleeds.

Overdose/Treatment : In case of overdosage, to seek medical assistance immediately.

Pack Size : Bottle of 60's, Blister pack of 30's.

Storage Condition : Store below 30°C.
Avoid exposure to heat.

Keep out of reach of children.

Jauhi daripada kanak-kanak.
