

Lipascor[®] 600mg

Description

Each Lipascor[®] capsule contains the 600mg of *Monascus purpureus* Went Yeast fermentation on premium rice, including by-product of the fermentation process. (Capsule size is 0, capsule colour is Dark Green OP, Body colour is Light Green OP, EMBO capsules).

Lipascor[®] capsule contains the proprietary ingredient xuezhikang[®], an all-natural product derived from the well-documented traditional red yeast rice (known as "Hong Qu" in Chinese) which has been used for more than 1000 years. Xuezhikang[®] (Lipascor[®]) is scientifically derived from fermentation of red yeast (*Monascus purpureus* Went species) on premium rice.

Active Ingredient

Each 600mg Lipascor[®] capsule contains the proprietary ingredient xuezhikang[®], which is 600mg of standardized Red Yeast Rice extract concentrate derived from fermentation of *Monascus purpureus* Went species on premium rice, including by-product of the fermentation process consisting of Monacolins K (naturally occurring HMG-CoA reductase inhibitors 0.8%), natural pigment and unsaturated fatty acids.

Dosage

Adult: take one capsule twice daily after meals (morning & evening) or as directed by the physician.

Cautions

- Not recommended for pregnant or nursing women; individuals under 20 years of age and those at risk for or have history of liver disease.

- As with any dietary supplement, consult your physician if you are taking any medication or are under a physician supervision for cholesterol control.
- Keep out of reach of children (Jauhi dari kanak-kanak).

Storage

Store below 30°C. Protect from light and moisture.
