

Product Name

Ivytus Syrup 35 mg/5 ml

Dosage Form

Syrup

Composition

Each 5 ml of syrup contains folium Hedera helix extract 35mg and 0.134% w/v potassium sorbate as preservative.

Product description

Golden brown to brown coloured, clear to slightly turbid, slightly viscous, characteristic honey odour with honey flavoured syrup.

Indication

Traditionally used for cough, throat irritation and reducing phlegm.

Recommended Dosage

Unless otherwise prescribed, children (2-5 years) take 2.5 ml 3 times daily, children (6-9 years) and adolescence (>10 years) take 5ml 3 times daily, and adults take 5-7.5 ml of syrup 3 times daily.

The use of Hedera helix in children under 2 years of age is contraindicated.

Route of Administration

Oral

Contraindications

In the event of fructose intolerance, treatment should be carried out only after consultation with a doctor.
