The safety of Rohto Eye Wash during pregnancy and lactation has not been established but use during these periods is not considered to constitute a hazard.

DOSAGE FORMS

Sterile Eye Wash

STORAGE

Store below 30°C. Avoid direct sunlight.

HOW TO USE

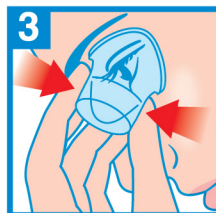

Before using Rohto Eye Wash, cleanse the eyebath and skin around your eyes.

Pour Rohto Eye Wash to eyebath about 5ml or until the liquid surface reaches the indicator line on eyebath.

After inclining your head, put eyebath on your eye and press it slowly until eyebath fits.

Blink your eye while pressing eyebath gently, and let Rohto Eye Wash flow & cleanse your eye. Repeat for about 30 seconds. Do not worry about leakage or spilling out.

Discard the liquid, and wash the eyebath. Repeat the above steps for another eye. After using Rohto Eye Wash, close your eyes for a while and gently rub your eye area with dry tissue. Do not wash your eyes with another liquid. Wash the eyebath and keep it in a dry place. Rohto Eye Wash can be used as needed.
