

Homecare® Hedelix® Cough Syrup

Ingredient(s):

Each 2.5ml (per dosage) product contains extract of the following ingredients
Hedera helix, folium (ivy leaves) 20mg

Indication(s):

Traditionally used for relief of cough, throat irritation and reducing phlegm.

Dosage and Administration:

Adolescents 12 years above, adults: 5 ml three times daily, after meal.

Children 6-11 years of age: 2.5 -3.2 ml, three times daily, after meal.

Children 2-5 years of age: 2.5 ml, three times daily, after meal.

Use syringe provided to measure the recommended volume

Method of administration:

For oral use

Homecare Hedelix Cough Syrup should be taken undiluted. Drink sufficient fluid (preferably drinking water) after consuming.

For accurate dosing, a dosing syringe is included for this medicinal product.

Instructions for using the dosing syringe:

1. Stick the dosing syringe together with the open bottle. Push it softly in the bottle until it is fixed. The plunger has to be in the syringe.
2. Turn the bottle carefully upside down and draw up the liquid softly by drawing the plunger to the selected dosing mark.
3. Reverse the bottle and draw out the syringe by a soft rotation. Close the bottle after taking the dosage.
4. The syrup may be taken directly by emptying the syringe into the mouth towards the cheek or by using a spoon.
5. After taking the dose, clean the single parts of the syringe and dry them.

Contraindication(s):

It is contraindicated in patients who have shown hypersensitivity to ivy leaves, to plants of the Araliaceae family or any of the ingredients.

Side Effect(s) / Adverse Reaction(s):

Gastrointestinal reactions (nausea, vomiting, diarrhoea) have been reported. The frequency is not known. Allergic reactions (urticaria, skin rash, dyspnoea, anaphylactic reaction) have been reported. The frequency is not known. If other adverse reactions not mentioned above

occur, a doctor or a pharmacist should be consulted.

Precaution(s) / Warning(s):

This is a traditional medicine. Please consult your pharmacist/doctor if symptoms persist/worsen.

Shake well before use.

For oral administration only.

Read the package insert before use.

Keep out of reach of children. Jauhkan daripada capaian kanak-kanak
